Welcome to the Lap of Luxury, in Kothrud

Witness the house of your dreams come alive at "Sarvatra", Kothrud. And what better way to discover its wonders, than to experience it for yourself. Welcome...to the lap of luxury, located in the heart of Kothrud!

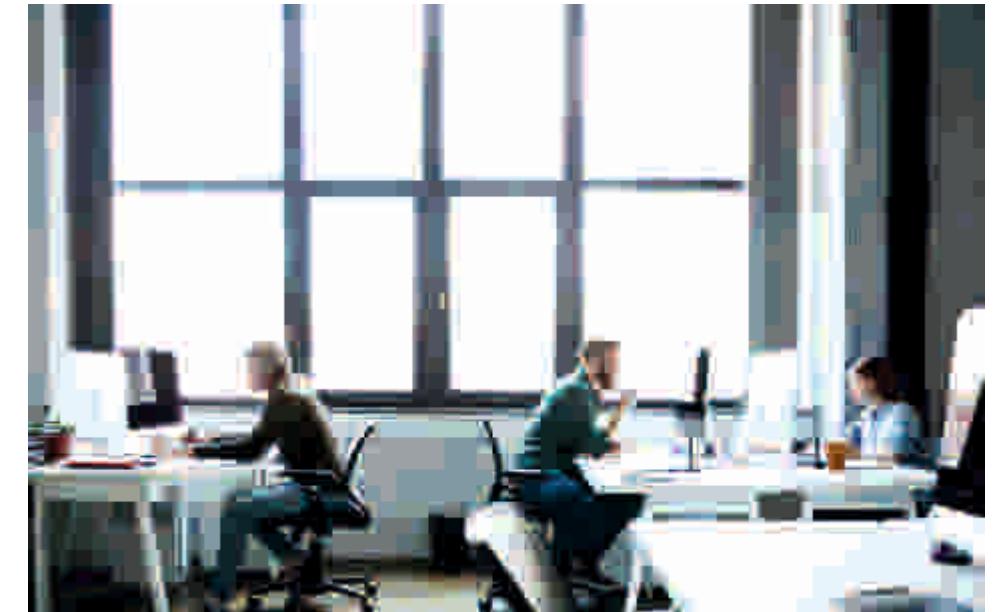

A photograph of a man in a dark suit and glasses, looking upwards towards a modern skyscraper. The building has a distinctive curved, metallic facade with horizontal panels that reflect the sky. The background is a bright, slightly cloudy sky.

Going above &
Beyond to find
the Perfect Home

WORK | SHOP | RELAX

A perfect amalgamation of commercial and residential spaces. The ground and stilt levels are designed to house showrooms and shops (10,000 sq.ft. per Floorplate). The succeeding 3 floors have vast office areas (700 – 2000 sq.ft.), and the remaining floors accommodate 2, 3 and 4 BHK apartments. The main road runs parallel, keeping these always visible and accessible.

Sarvatra : Everywhere, everyday

Homes that have been designed to go beyond the concept of a typical flat. While it retains the easy maintenance associated with a flat, the grandeur makes you want to flaunt it like a bungalow! Each design element and amenity are planned to give it 5 – star quality in every aspect, every single day.

Introduction of the project

A first for Kothrud, this 24 floors' super luxurious building stands tall amidst the hustle and bustle of the city. It is split into 2 wings, with complete surveillance maintained through CCTV coverage and professional 24 hours security. Each AC flat follows the Vastushastra norms, by facing the east – west direction. Sufficient number of passenger lifts with an additional stretcher lift allow for an easy passage between floors.

Exclusive Residential Entrance Lobby

Podium Level – Outdoor Amenities

A sprawling area of 3200 sq.ft., this space boasts of an indoor cricket arena, a lush green children's play area with ample yet varied seating arrangements for all the residents. This podium level is located between the D and E towers.

Ground Floor - Club House

Spend evenings in this majestic 20,000 sq.ft. garden area dotted with water bodies that facilitate relaxation. A beautiful pathway runs around its boundary, with benches positioned at regular intervals. The club house stands at the centre, housing spaces and activities for the young and old! A Ganesh temple is situated near the club house, for some quiet worship time for our senior citizens.

Rooftop Amenities-1

A unique feature of this grandiose project is the rooftop amenities it has to offer. A refreshing terrace garden atop the 24th floor complete with a cafeteria to unwind in, in the cool breeze. There is an open – air gymnasium and a Walking track to keep you fit.

Rooftop Amenities-2

The open – to – sky children's play area will fill the air with delicious laughter, while the senior citizens' seating area gives everyone a peaceful space to relax.

The Living Room

The living room forms the first impression of our home – so it is important for it to be impressive and spacious. The huge windows allow for ambient light to filter into the room while the Italian marble flooring gives the space a lavish look.

Use of the Sit Out

The ample space opens up the floor for a variety of activities to be undertaken here – be it yoga in the early mornings, or a quiet cup of coffee late evening. Gather your friends for a party or relax with a book – no matter what you plan, the space promises you privacy and rejuvenation!

The Dining Room

The kitchen overlooks the dining area, which can accommodate an 8 - seater dinner table. Imagine the feasts you can host here, without worrying about space constraints!

The Kitchen & Dry Balcony

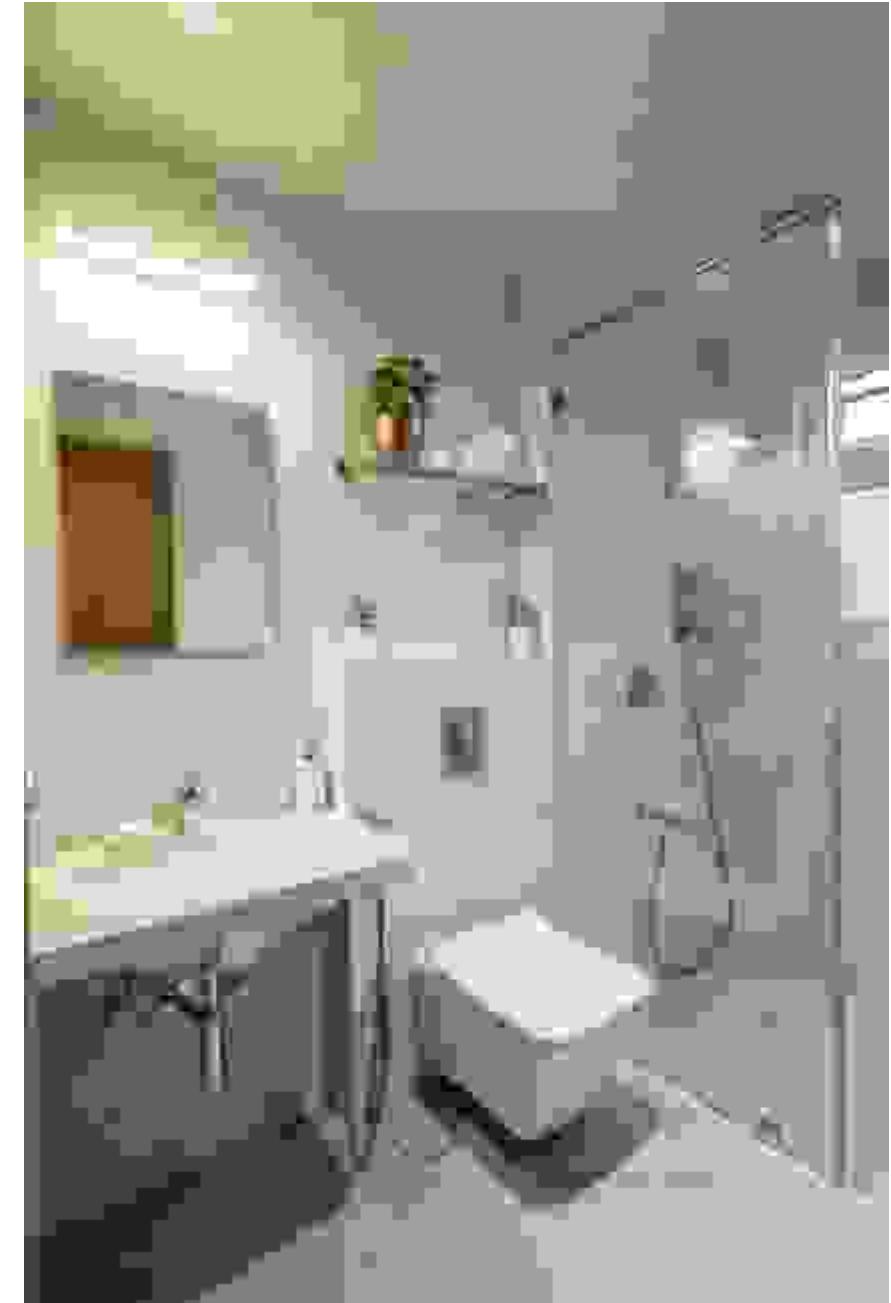

The way to a man's heart is through the stomach, making the kitchen perhaps the most important room of the entire house! A high-quality modular kitchen that comes ready with kitchen trolleys, sink, cupboards and even a hob stove with a chimney. A dry balcony that holds a washing machine and a personal flour mill is attached to the kitchen.

Master Bedroom

This is the space you come home to – no matter how hard the day might have been. And so the master bedroom strikes a perfect balance in bringing you comfort, privacy and solitude. The glass windows with mosquito net are specifically installed to keep the house sound proof and retain the sanctity of your home.

Children's / Guest Bedroom

Through the flurry of activities that children are engaged in, it is crucial for them to have their personal space. The area is designed to cater to all of children's needs, right down to having mosquito mesh installed on all the windows, to ensure your children get a peaceful sleep each night. This bedroom can also be converted as a guest room, ensuring that your guests feel just at home, in yours!
